How can a government designed in the eighteenth century deal with modern issues? The answer is in the 'necessary and proper clause' of the U.S. Constitution. This means that technically, the congress can make any law about anything that The constitutions necessary and proper clause is the source of which federal.

The Necessary and Proper Clause, which is listed as Article I, Section 8 of the Constitution, allows Congress to make laws that are 'necessary and proper' for carrying out its enumerated powers. This clause is often referred to as the 'elastic clause' because it gives Congress the power to act in a flexible manner to address new and unforeseen situations.

For at least three reasons, it seems reasonable to expect a simple and straightforward answer to this question. When one examines the full text of the Necessary and Proper Clause in its original context.

Part II provides a textual exegesis of the Take Care Clause. Through references to Werner & Jim Kuhnhenn, White House Puts Immigration Plans on Hold After Ruling, YAHOO! (construing the word "proper" in the Necessary and Proper Clause to mean "fitting" or "appropriate"). If the answer is yes, the deviation from the law is in good.
